Mr. E. C. Shute, Deputy Manager
San Francisco Operations Office
U. S. Atomic Energy Commission
Oakland, California

Dear Mr. Shute:

We are all pleased with the suggestion made in your letter of April 18 that Daniel M. Wilkes be designated as a member of the special staff for all phases of the project, including that of the detonation at Elvertok Proving Ground.

Das will be glad to serve.

Sincerely yours,

Donald Cocksey
